Pure Chlorella + CVE™

Japan's #1
Chlorella!

300
Tablets

Detox

Strengthen
Immunity

Fight Urban
Diseases

Prevent
Chronic
Disease

Special
Formula

Chlorophyll

CVE

18 Types
Amino
Acids

Chlorella is an single-celled green algae containing the highest concentration of Chlorophyll among all plants. Chlorella is known as a Natural Cleanser for its cleansing power to our blood, liver and bowel. The UK daily, Telegraph, has credited Chlorella as 'the Superfood that helps fight disease'.

How CHLORENERGY® Helps Us?

Detoxify & Repair Our Body

Scientists have discovered that the polysaccharide membrane and chlorophyll of Chlorella help to sweep large amounts of toxins, e.g. dioxins, mercury, PCBs and heavy metals, out of our body. Chlorella is very alkalizing. It helps to restore the acidic body pH created by overcooked and processed food.

Boost Metabolism & Aid in Weight-loss

Chlorophyll boosts a supply of oxygen-rich blood for more youthful metabolism. CK-strain is a species of Chlorella with extremely thin cell-walls to facilitate better absorption in human body. It helps to increase bowel movement frequencies and total feces amount, restoring regularity in patients of chronic constipation.

Enhance Immunity & Prevent Chronic Diseases

CVE: Chlorella Vulgaris Extract is the precious Chlorella growth factor that strengthens our immune system by mobilizing defenses and boosting anti-viral and anti-tumor activities. Chlorella is proven to reduce body-fat percentage and blood glucose levels. It corrects any unbalanced diet and prevents a list of lifestyle diseases such as diabetes, obesity, cancers or heart diseases.

Anti-aging & Regenerating

CVE is loaded with a balanced profile of amino acids. All of which build proteins and collagen. They contribute to restructure and smoothe out our skin surface, bringing back the youthful glow of the skin. Chlorella's high nucleic acid content is a longevity factor that gives us strength to repair and keep our cell active to fight against the free radicals that causes aging.

CHLORENERGY®'s Nutrition Profile

- Each green tablet contains 25% of CVE™
- 5x More Chlorophyll than Spirulina!
- 56-60% Phyto-protein with 18 amino acids, including 8 essential amino acids
- 16 types of Vitamins
- 14 types of Minerals
- Most absorbable form of Vitamin-B12
- A Good Source of Dietary Fiber and Carotenoids

CHLORENERGY®

Pure Chlorella + CVE™

Highest Digestibility

CHLORENERGY®'s formula of 'CK-strains + CVE™: Vulgaris', is honored by JHFA under the auspices of Japan Health & Welfare Ministry as Japan's No.1 Chlorella in digestibility rate.

Strongest Evidence on Effectiveness

CHLORENERGY® adopts CK-strains of Chlorella vulgaris, the species found to be the most beneficial to human body. Endorsed by more than 500 scientific researches, our chlorella is proven to have superior effectiveness and safety.

100% Pure & Natural Chlorella

CHLORENERGY® is made with pure and natural chlorella cultured in Japan, with no binders, excipients and impurities of any kind.

Finest & Assured Quality

CHLORENERGY® is produced in a GMP certified factory in Japan from its initial culture stage to the final product packing. The producer has been awarded by Japan Health & Welfare Ministry and Japan Health & Nutrition Association in 1996 and 2005, for its effort and remarkable achievement in developing health food supplements.

	Content	Recommended Daily Intake
Foil pack	300 tablets (200mg of Chlorella per tablet)	15 tablets
